Summary

Data Structures & Algorithms enthusiast with strong problem-solving skills and expertise in C++ – solved 400+ problems combined across LeetCode and GeeksforGeeks – along with hands-on experience in MERN Stack development. Built and deployed full-stack applications, mentored 50+ students in DSA and coding concepts, and developed a growing interest in AI-powered systems.

Technical Skills

Frontend: HTML, CSS, JavaScript, React.js, Tailwind CSS
Backend & Database: Node.js, Express.js, RESTful APIs, MongoDB, SQL
Tools & Concepts: GitHub, Vercel, Object-Oriented Programming, Data Structures & Algorithms (400+ problems solved on LeetCode & GeeksforGeeks combined)

Education

Gyan Ganga Institute of Technology and Sciences **2023 – 2027**
B.Tech in Artificial Intelligence and Machine Learning *CGPA: 8.24 / 10*

Little World School **2022 – 2023**
Senior Secondary Education *91.8%*

Mount Litera Zee School **2020 – 2021**
Secondary Education *88%*

Experience

DSA Mentor Intern **Dec 2025 – Feb 2026**
Apna College (Remote)

- Mentored 50+ students in C++ and Data Structures & Algorithms, resolving multiple coding and debugging issues.
- Led structured code reviews focused on optimization, problem-solving patterns, and clean coding practices, reducing recurring logical errors.

Projects

WanderHub | *Node.js, Express.js, MongoDB, MapTiler, Cloudinary* **Live | GitHub**

- Developed a travel listing platform with multiple listings, user authentication, reviews, and location-based search.
- Designed RESTful APIs for user authentication, travel listings, reviews functionality.
- Integrated MapTiler for interactive maps and Cloudinary CDN for image hosting, processing 100+ uploads.

Mind-Care | *React.js, Tailwind CSS, AI Integration* **Live | GitHub**

- Built an AI-integrated mental wellness web application featuring mood tracking, journaling, guided meditation, and chatbot support, tested with some users during launch.
- Crafted an accessible, responsive UI featuring breathing exercise animations and visual analytics dashboards.
- Integrated AI chatbot support using LLM APIs for wellness guidance and journaling assistance.

Awards & Achievements

- **Cracked TCS PRIME** – Oncampus TCS NQT 2026 Topper
- **Finalist** – Smart India Hackathon (SIH) 2024 & 2025
- **Finalist** – HackSetu 1.0, AMITY Gwalior Hackathon (Top 7 out of 80+ Teams)
- **Contributor** – GSSoC 2025

Certifications

- Programming Essentials in C++ – Cisco Networking Academy
